## **Cargo Airport Services USA commences ground handling operations at San Diego International Airport with British Airways World Cargo**

**JAMAICA, NEW YORK, June 01, 2011**

Cargo Airport Services USA, LLC (CAS) has been awarded the cargo warehouse handling contract with British Airways World Cargo (BAWC) at San Diego International Airport (SAN) effective June 01, 2011.

The British Airways flight schedule serves London Heathrow with a daily passenger flight with Boeing 777 aircraft. Cargo Airport Services will provide cargo handling at the MAT cargo facility located at 2719 Kurtz Street in San Diego, California.

Michael A. Duffy, President and CEO of CAS said, “We have been looking forward to establishing our services on the West Coast and are pleased to have expanded our British Airways World Cargo relationship with the fourth BAWC location. CAS is committed to serving BAWC customers with the same commitment we have made at JFK, Washington Dulles and Newark Liberty International Airports and look forward to contributing to the success of British Airways World Cargo at SAN”.

Cargo Airport Services USA is based at JFK International Airport and provides ramp, international cargo handling and facilities management services to over sixty carriers in sixteen cargo facilities throughout the United States and Canada. CAS has cargo operations at JFK, IAD, EWR, IAH, DFW, ORD, OKC, SAT, SEA, YUL, YMX and YYZ. CAS expansion plans include other international gateways throughout North America.
