Cargo Airport Services USA awarded ground handling operation at JFK with Nippon Cargo Airlines (NCA).

JAMAICA, NEW YORK, April 01, 2011

Cargo Airport Services USA, LLC (CAS) has been awarded the cargo warehouse and ramp handling contract with Nippon Cargo Airlines (KZ) at John F. Kennedy International Airport effective April 01, 2011.

NCA is a cargo airline operating a modern fleet of Boeing 747 freighter aircraft whose operational base is in Narita, Japan. The NCA freighter schedule consists of four weekly B747/400F flights routed Narita/Anchorage/Chicago/JFK/Anchorage/Narita on days 4, 5, 6 and 7. The NCA on-line network includes 15 major cities in 8 countries in Asia, America and Europe.

Michael A. Duffy, President & CEO of CAS said, "We are pleased to welcome NCA to CAS and for the opportunity to work with Nippon Cargo Airways in their important New York market. The CAS cargo facility in JFK will provide ramp and warehouse facilities for their freighter operations at JFK with good access to taxiways and roadways".

Cargo Airport Services USA is based at JFK International Airport and provides ramp, international cargo handling and facilities management services to over sixty carriers in sixteen cargo facilities throughout the United States and Canada. CAS has cargo operations at JFK, IAD, EWR, IAH, DFW, ORD, SAT, OKC, SEA, YUL, YMX and YYZ. CAS expansion plans include other international gateways throughout North America.
